

THE PATHWAY TO AUA BEGINS HERE

HOW TO ENTER INTO A MEMORANDUM OF UNDERSTANDING (MOU)

American University of Antigua College of Medicine (AUA) has signed MOUs with many renowned colleges and universities throughout the world. Many of these MOUs provide students with the opportunity to earn acceptance to medical school. AUA is a global leader in medical education and offers college students greater opportunities to become physicians.

TYPES OF MOUS

- UNIVERSITY PARTNER** AUA

Give your pre-med students a pathway to medical school. Qualified students from your school will be guaranteed a seat under this type of MOU.
- AICASA **UNIVERSITY PARTNER**

Increase your enrollment with high-quality students from our 2-year undergraduate program who want to earn a bachelor's degree. Qualified American International College of Arts and Sciences–Antigua (AICASA) graduates will transfer to your school.

BENEFITS

AUA will waive the application fee.

Applicants can expect an expeditious admissions timeline, including the application review, interview and decision.

Upon acceptance, AUA will waive the applicants pre-registration seat deposit.

Upon acceptance, a limited number of applicants may be eligible for a \$5K Preferred Program Grant.
