

# FROM HIGH SCHOOL TO M.D. IN 6.5 YEARS!

AMERICAN UNIVERSITY OF ANTIGUA

COLLEGE of  
ARTS AND SCIENCES

**AUACAS.ORG**

American University of Antigua College of Arts and Sciences (AUACAS), through an articulation agreement with American University of Antigua (AUA) College of Medicine, offers a unique path to medical degree. After two years of undergraduate coursework with an emphasis on the health sciences, successful students earn an Associate of Science (AS) degree in Health Sciences. Upon completion of the health sciences curriculum with a minimum cumulative GPA set by the medical school, AUACAS graduates are given preferential admission status by AUA.

## AUACAS PRE-MED PROGRAM

- Ideal for high school graduates and nontraditional students.
- Academic curriculum includes courses that are considered prerequisites for entry into U.S. or Canadian medical schools.
- The program helps students build the foundational skills and knowledge they need to succeed in the Pre-Clinical Sciences component of the MD Program.
- Approved to award associate degrees by the Ministry of Education of the Government of Antigua and Barbuda.

## HOUSING

### ON-CAMPUS

AUA's brand-new, on-campus apartments are just a three-minute walk to class and are fully furnished. Enjoy free wi-fi, complimentary housekeeping once per week, and more!

### OFF-CAMPUS: GROUP 1

Group I is our most upscale modern group. There are a limited number of one-bedroom suites as well as two-bedroom apartments. All have individual bathrooms. Many have decks directly overlooking the ocean.

### OFF-CAMPUS: GROUP 2

Group II housing includes one, two and three-bedroom apartment options. Most Group II housing units have a common kitchen and living room.

### OFF-CAMPUS: GROUP 3

Housing within this group is at a lower cost. Accommodation features shared bathrooms and communal laundry facilities.

## TESTIMONIAL

### DHAVAL PAU, MD

*Critical Care Specialist*  
Southeast Health, Dothan, Alabama

"From a young age, I knew I wanted to become a doctor, so after graduating early from high school I attended CAS and then went directly to AUA. I earned my MD at the age of 20."
